

- 69.** The World Bank president has said that each year in the World Economic Forum he intends to
- A) announce new measures to reduce stunting rates around the globe.
  - B) list the names of countries that are not reducing high stunting rates.
  - C) establish new standards to be followed by nations worldwide.
  - D) highlight the example of countries that reduce their stunting rates.

No final do quarto parágrafo, podemos concluir que o presidente do Banco Mundial, Jim Yong Kim, disse que, a cada ano, no Fórum Econômico Mundial, ele pretende nomear e envergonhar países que não reduzirem seus altos índices de crescimento retardado.

Item B
