

80. As a concluding note, the author acknowledges that, after leaving social media, she

- A) is starting to discover what is happening around her.
- B) feels free to do things that she would not display on twitter.
- C) moves through the world without knowing what to do.
- D) has lost a great number of readers.

Assunto: Redes Sociais - Twitter

A autora reconhece conclusivamente que está começando a descobrir o que está acontecendo à sua volta ao perguntar-se retoricamente: “what’s happening? I think to myself. I’m just beginning to find out.”, sendo a expressão “beginning to find out” sinônimo para “starting to discover.”

Item: A
