After returning home,
he does his chores
and watches cartoons.

On SUNDAYS, Eduardo goes to church with his parents. Once returning home, he enjoys the rest of the day by going to the mall with his parents.

BIOGRAPHY

In the seventh grade, we are like a team. In the tasks proposed by the teachers, we meet, plan, discuss ideas, and carry out activities to achieve the results with excellence. This is due to some colleagues studying since childhood and those enrolling in the school culture. This is our successful team that makes up the seventh year of Christus Benfica School.
