

79. It is mentioned in the text that, in the early days of streaming, people were assured they would get access to all types of materials of their choice the moment they wanted. That

- A) is exactly what is happening.
- B) seems to be only a dream.
- C) will never happen in our lifetime.
- D) is not exactly what is going on.

Assunto: Interpretação de texto

De acordo com o parágrafo 3, o texto explica que o *streaming* prometeu acesso a conteúdos favoritos a qualquer momento (“*whenever we wanted*”), porém essa promessa não se realizou como esperado (“*It hasn’t exactly worked out that way*”). Isso mostra que a realidade não corresponde exatamente ao que foi prometido no início do *streaming*.
