

PROFESSIONS LAND

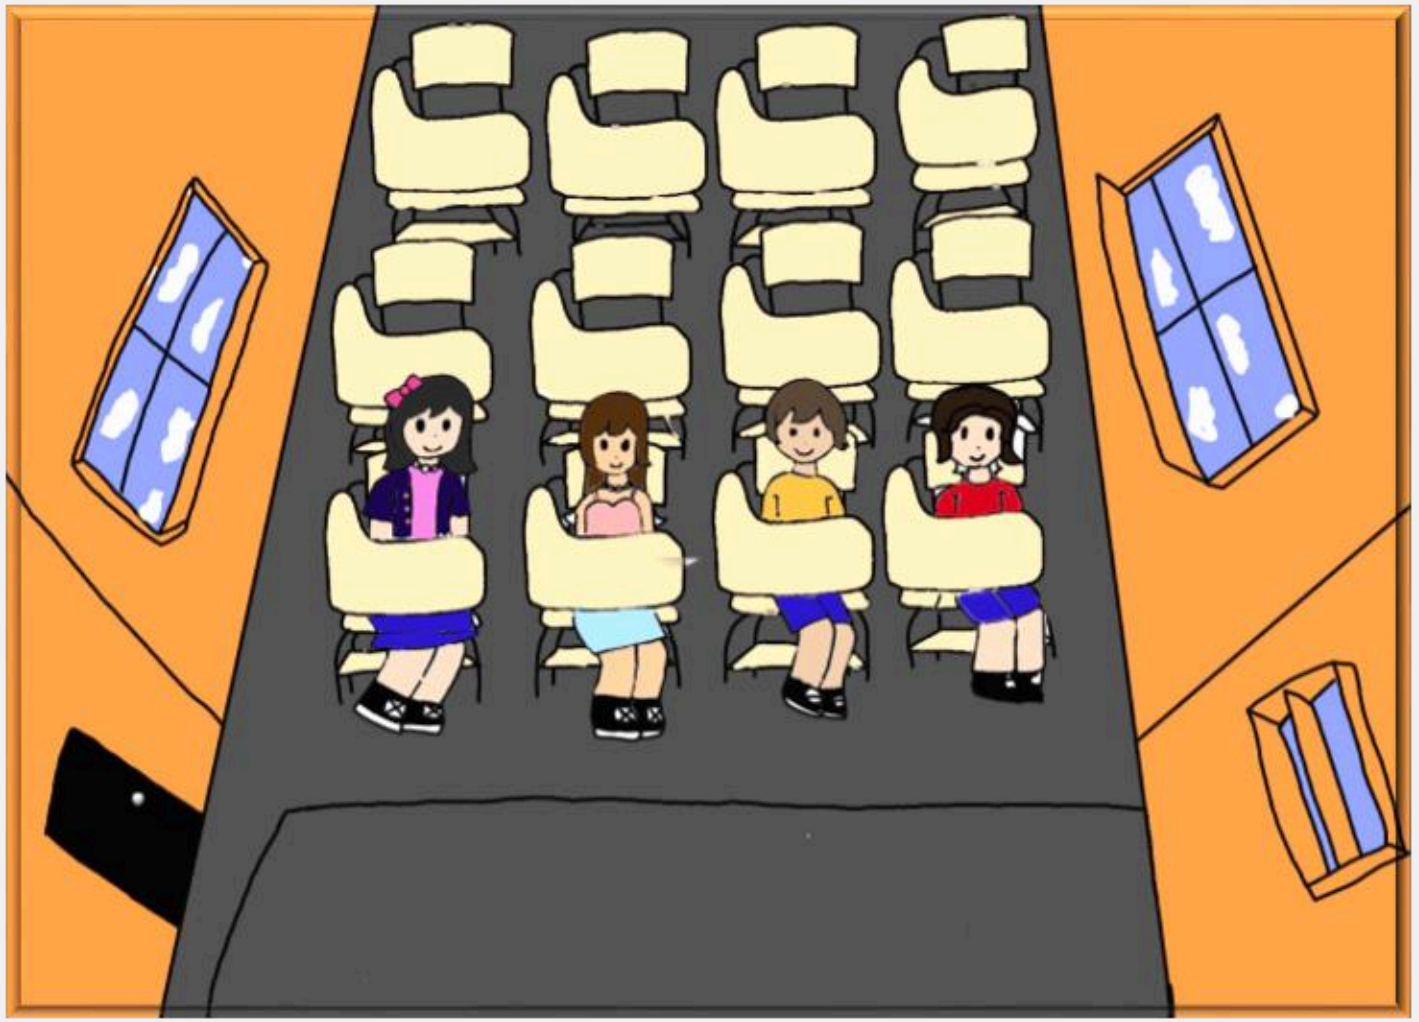

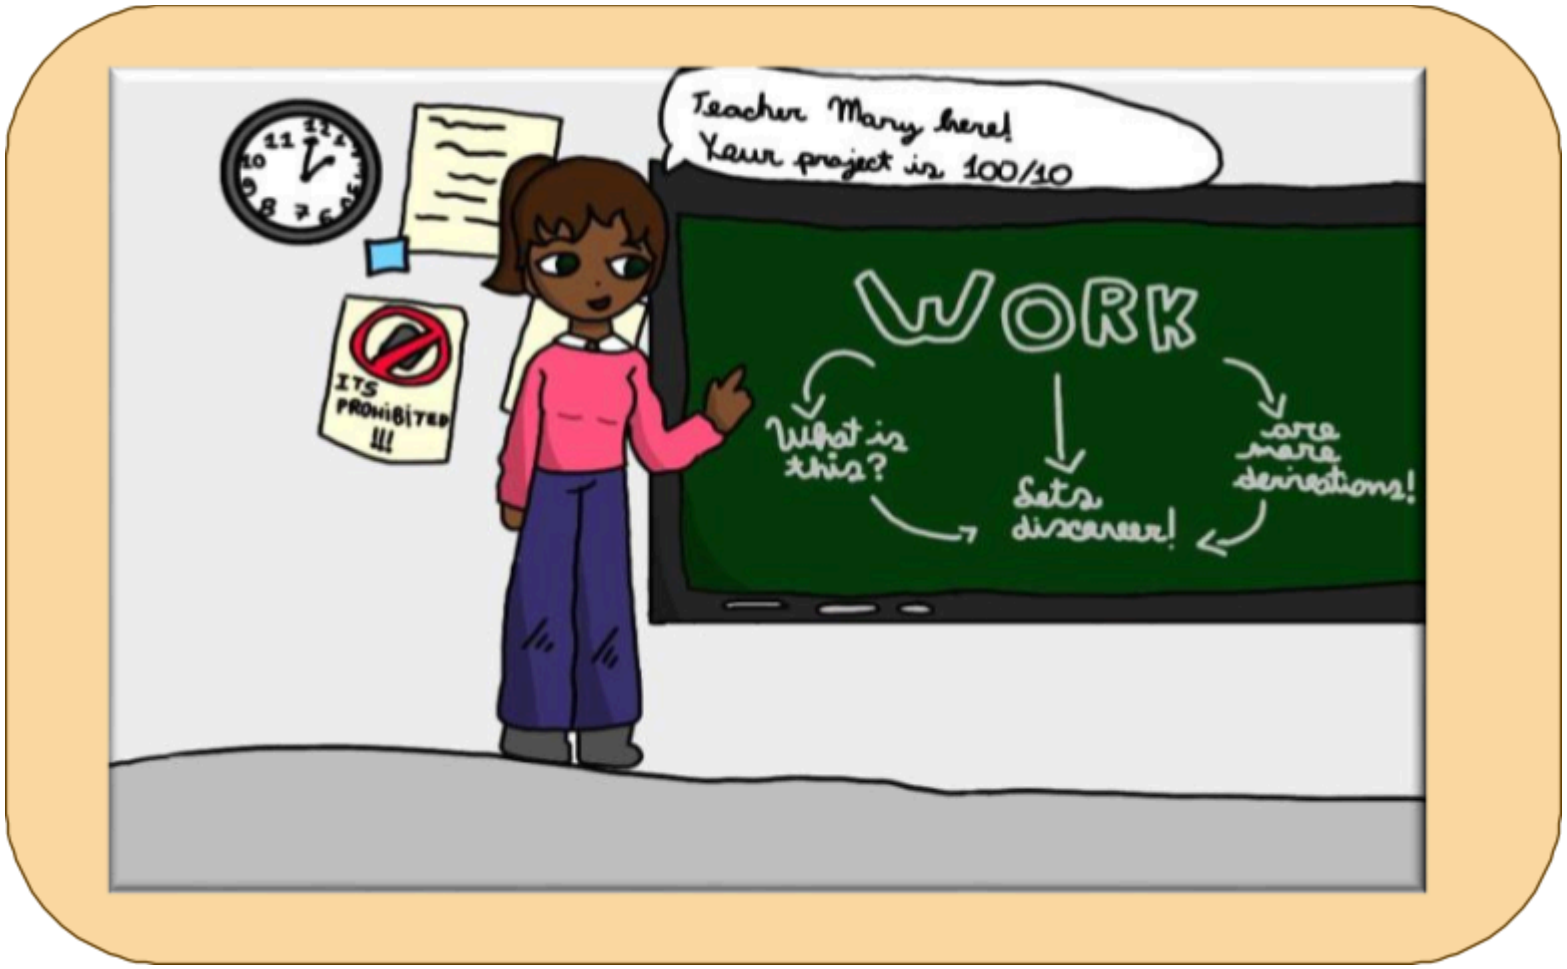

7° ano Olimpico 2 – Christus Dionisio Torres

ONE DAY, IN THEIR 2nd GRADE ENGLISH CLASS, TEACHER MARY TOLD THE STUDENTS TO COMPLETE A PROJECT ON THE TOPIC OF PROFESSIONS. THE TEACHER FORMED GROUPS, AND ONE OF THEM WAS THE BEST FRIENDS' GROUP.

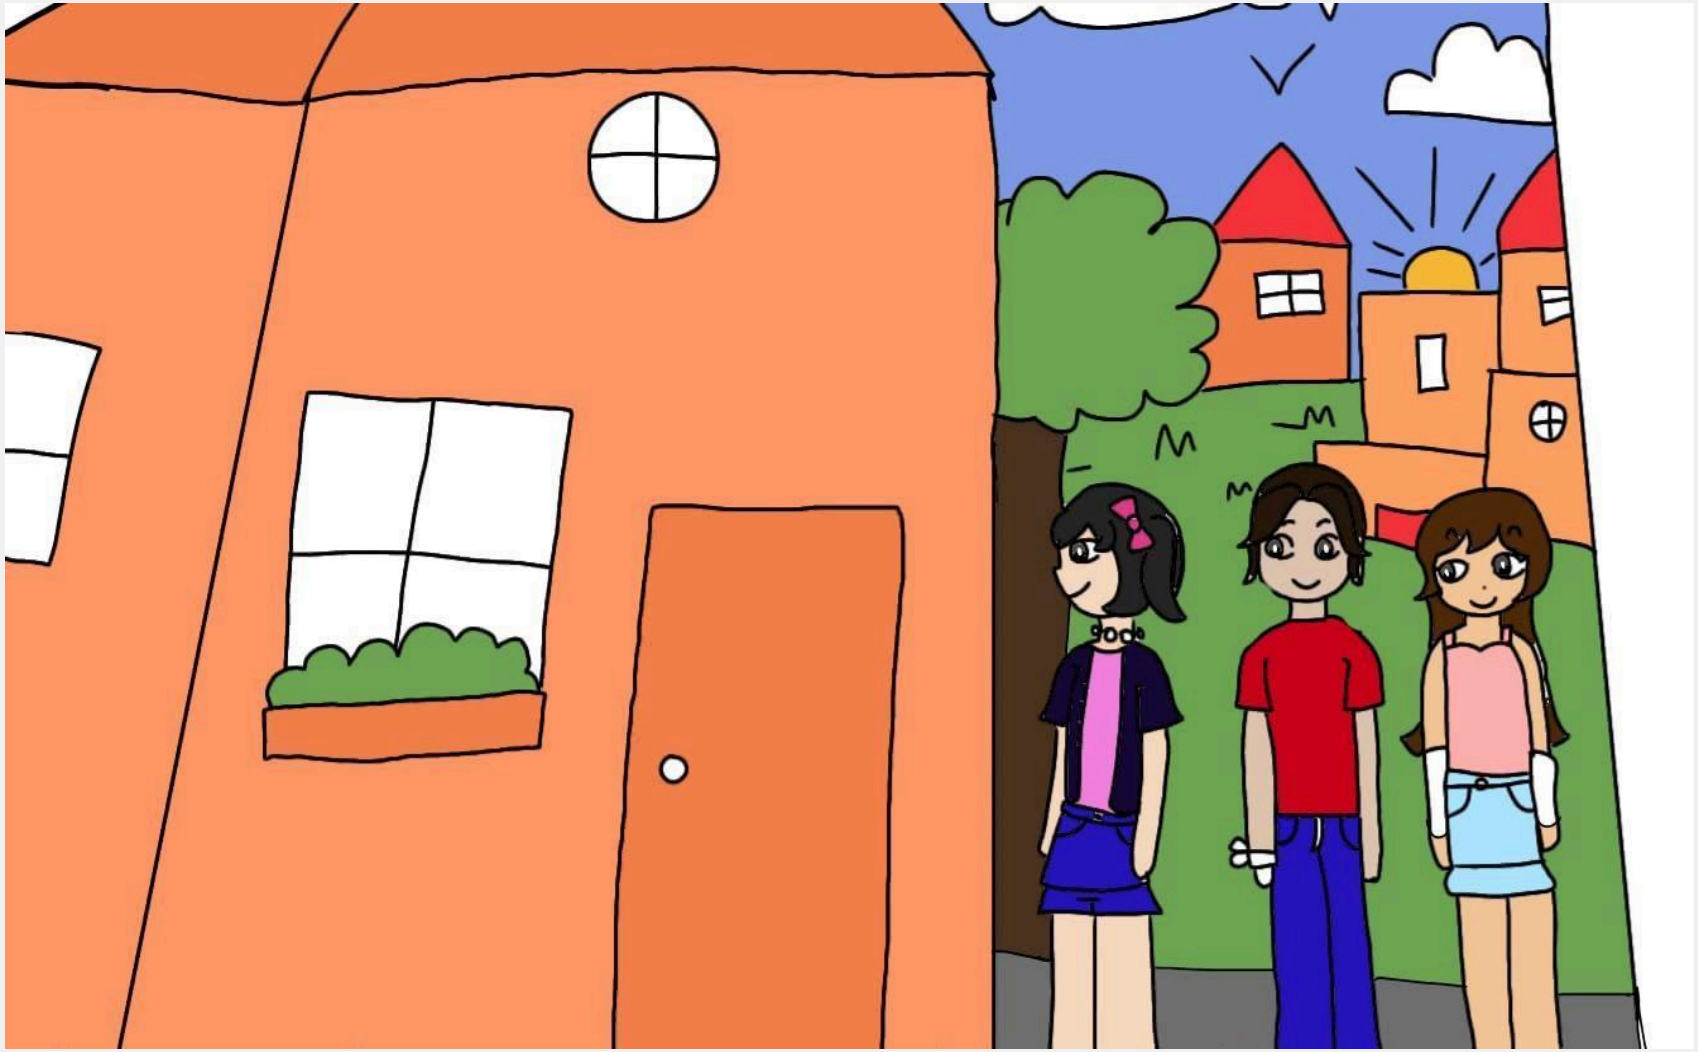

THE FOUR BEST FRIENDS, CLARA, TIAGO, YASMIN, AND LUCAS, WERE VERY EXCITED. THERE WAS ONLY ONE PROBLEM: THEY DIDN'T KNOW ABOUT PROFESSIONS AND THEIR FUNCTIONS.

YASMIN BROUGHT THE CARDSTOCK, PAINTS, CHALK, COLORED PENS, AND VARIOUS DECORATIONS.

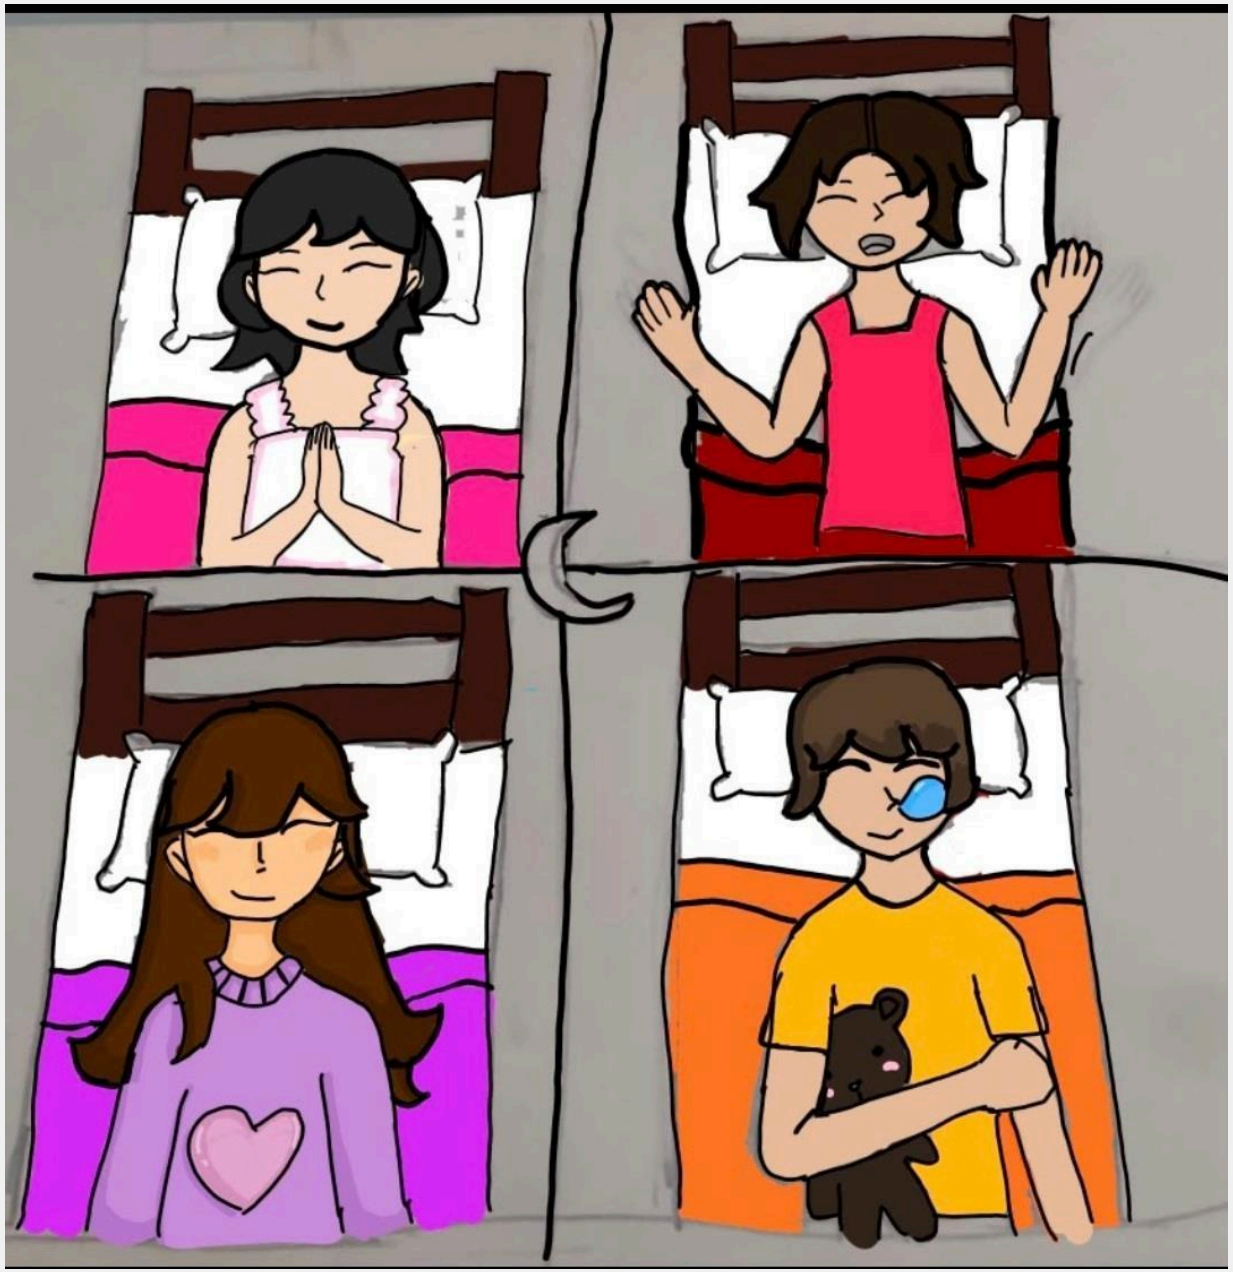

THE FOLLOWING WEEKEND, THE CHILDREN MET AT CLARA'S HOUSE.

THEY HAD ALL THE MATERIALS TO DO THE PROJECT, EXCEPT THE IDEAS. THE DAY PASSED QUICKLY; NOTHING WAS DONE, AND EVERYONE LEFT.

THAT NIGHT, CLARA ASKED FOR GOD'S ENLIGHTENMENT IN HER PRAYER AND FELL ASLEEP.THEN, AN INCREDIBLE THING HAPPENED: THE FOUR FRIENDS HAD THE SAME DREAM, IN WHICH THERE WAS A LITTLE BLUE OWL.

THE OWL, NAMED CHARLOTTE, INVITED THE CHILDREN TO VISIT THE LAND OF PROFESSIONS.

THERE, EVERYTHING WAS ENCHANTED. DOCTORS HAD BRILLIANT DEVICES THAT CURED PEOPLE WITH A TOUCH OF LIGHT.

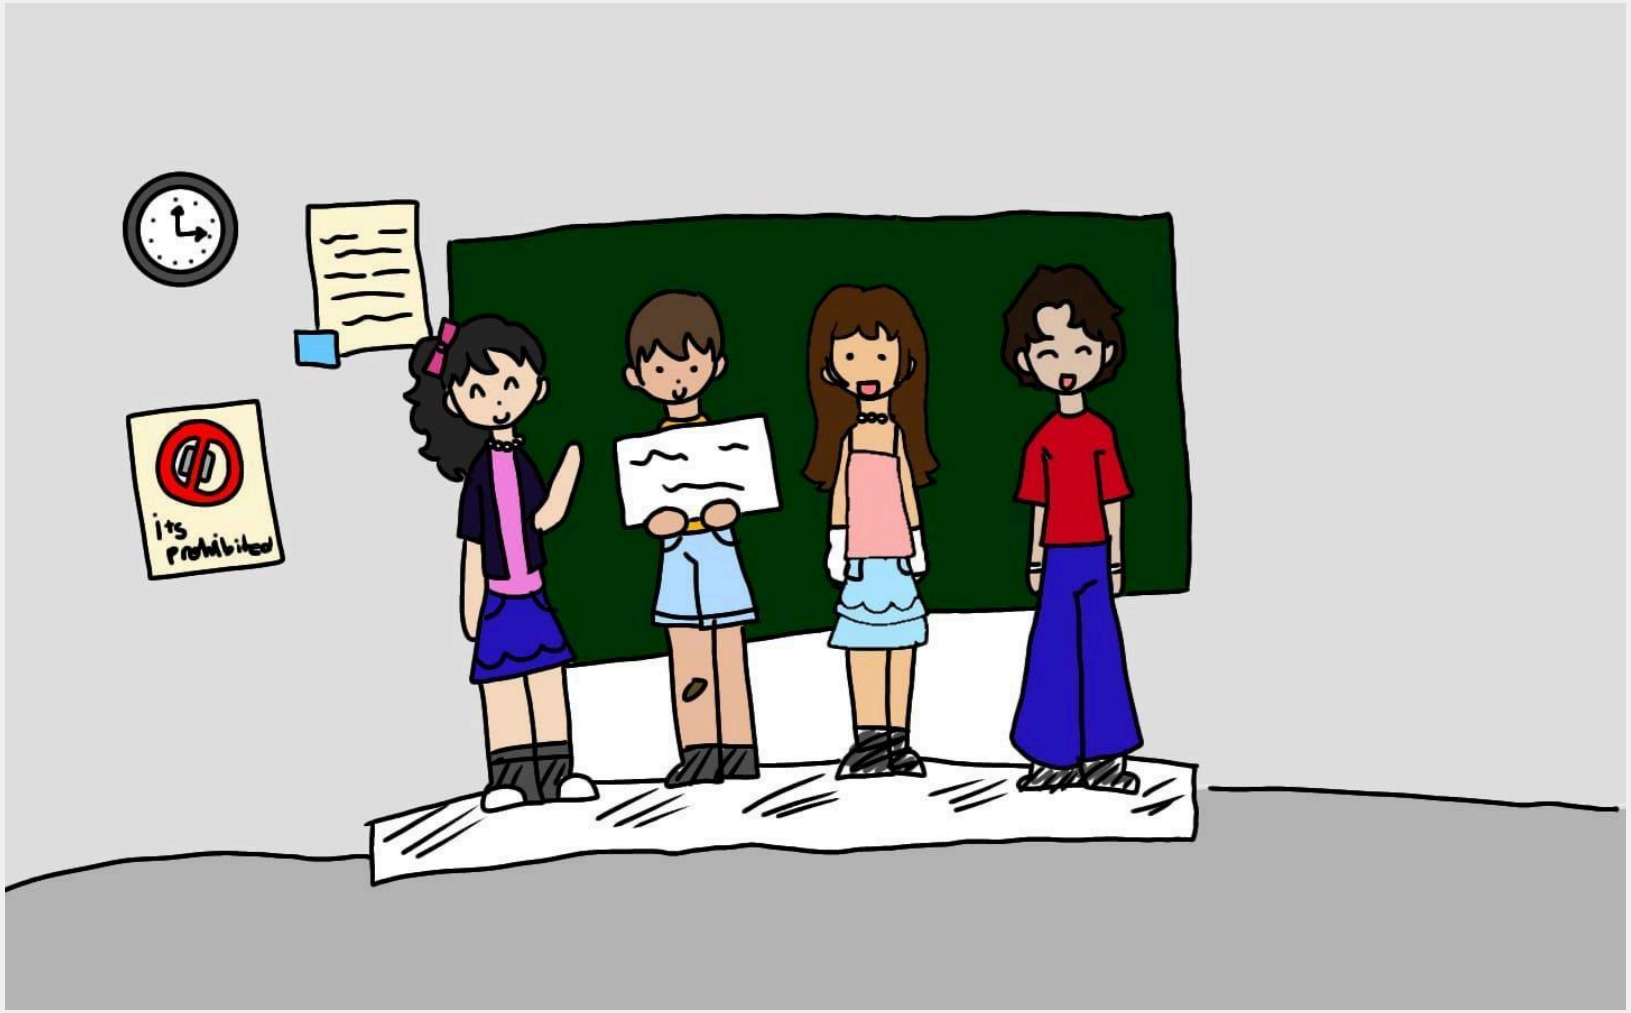

TEACHERS TEACH WITH TALKING BOOKS AND PENCILS THAT WROTE BY THEMSELVES.

FIREFIGHTERS PUT OUT FIRES WITH MAGICAL FLYING HORSES; COOKS MADE CAKES THAT SANG AND PIES THAT DANCED WITH JOY.

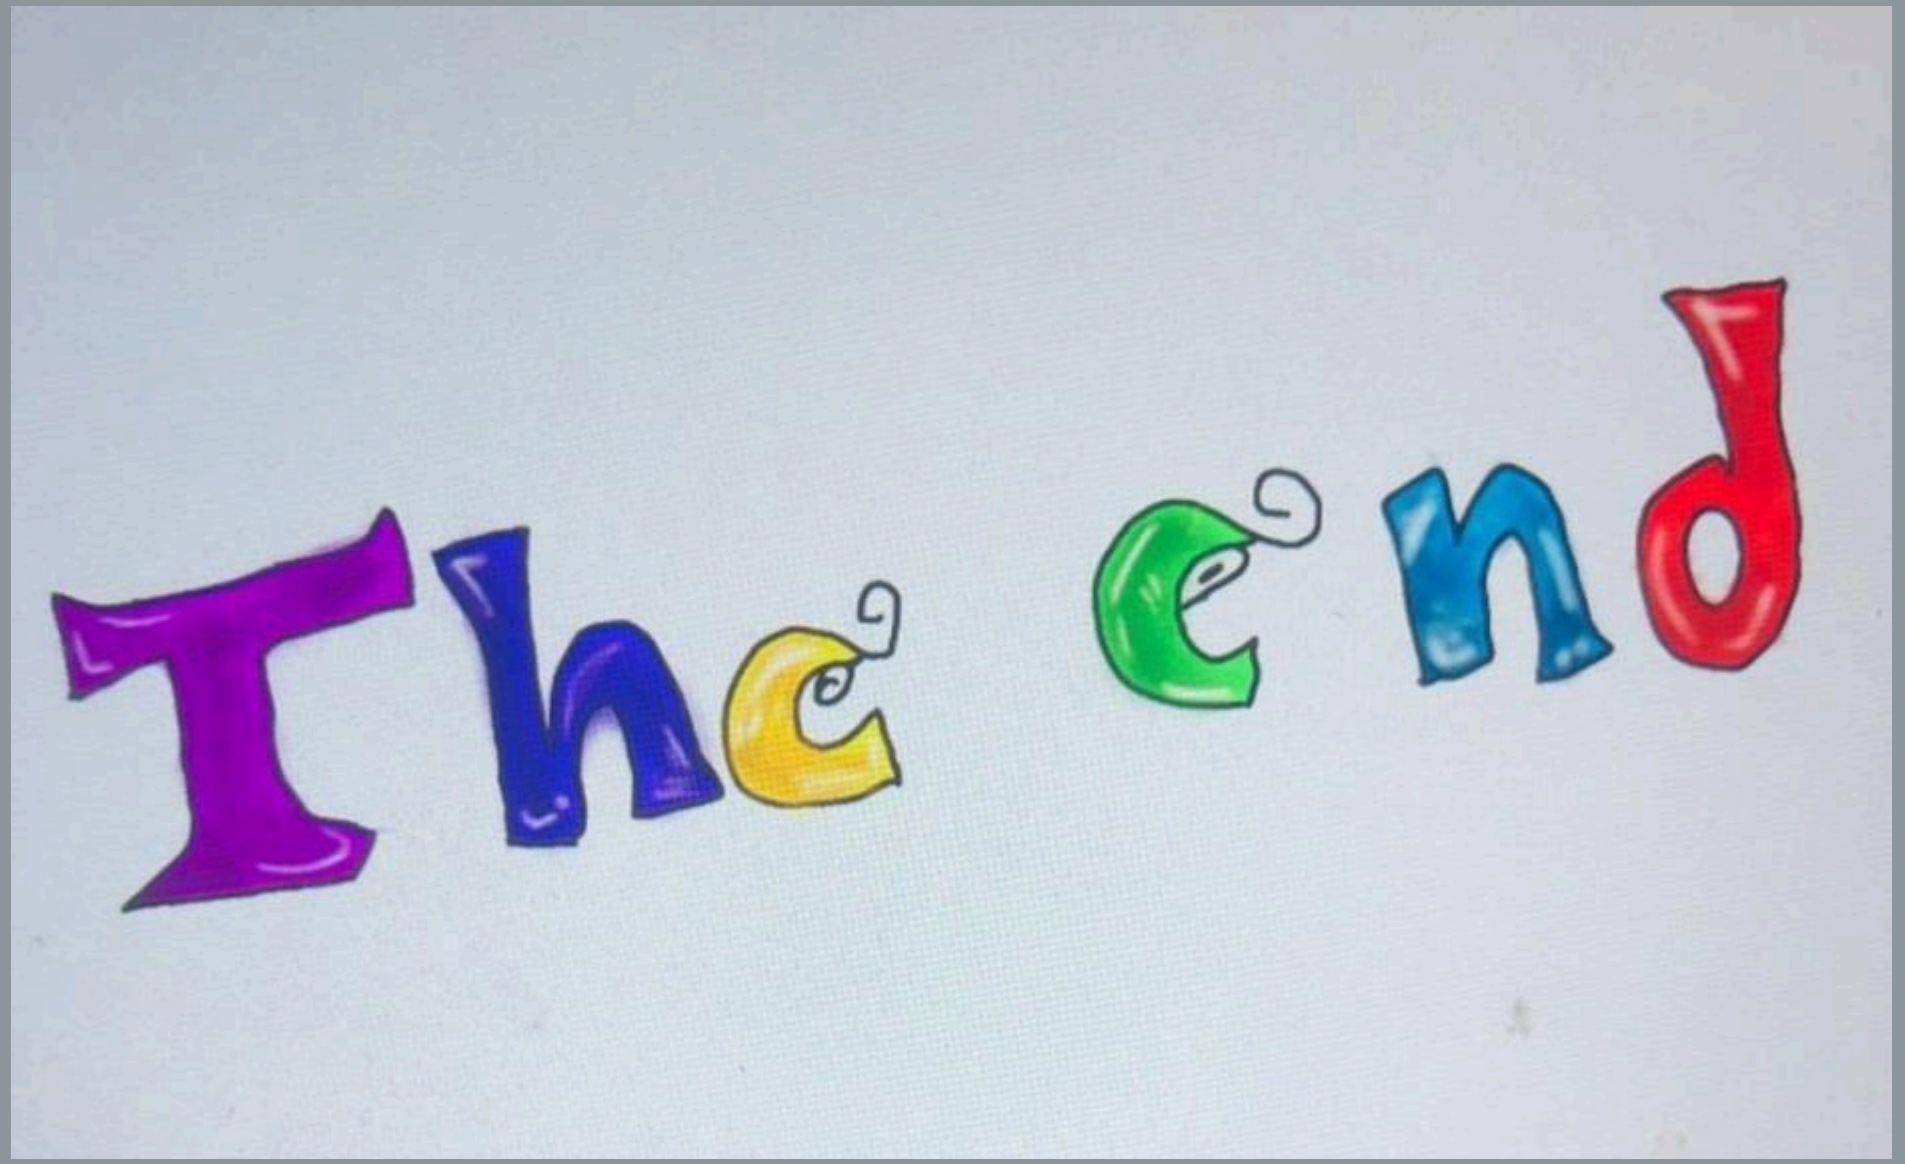

JUDGES JUDGED WITH MAGICAL GAVELS; AND ENGINEERS BUILT BUILDINGS WITH COLORFUL BRICKS AND LUMINOUS CEMENT.

THEY LEARNED A LOT AND HAD FUN, HELPING IN EACH PROFESSION. THE NEXT MORNING, THE GROUP MADE BEAUTIFUL POSTERS, AND ON PRESENTATION DAY, THEY WERE HIGHLY PRAISED. TEACHER MARY WAS VERY PROUD, AND THEY RECEIVED THE HIGHEST GRADE!

SO, THE FOUR FRIENDS UNDERSTOOD THAT LEARNING CAN BE A GREAT ADVENTURE, AND THEY WERE ALREADY LOOKING FORWARD TO THE NEXT ONE, BECAUSE KNOWLEDGE IS POWER.

The end

PROFESSIONS LAND

IN AN ENGLISH PROJECT ABOUT PROFESSIONS, FOUR BEST FRIENDS: CLARA, TIAGO, YASMIN, AND LUCAS WERE COMPLETELY OUT OF IDEAS. AFTER CLARA PRAYED, THEY ALL SHARED A MAGICAL DREAM WITH A BLUE OWL NAMED CHARLOTTE IN THE LAND OF PROFESSIONS. THERE, THEY LEARNED ABOUT THE ROLES OF DOCTORS, TEACHERS, FIREFIGHTERS, COOKS, JUDGES, AND ENGINEERS IN AN ENCHANTED WAY. INSPIRED BY THIS ADVENTURE, THE FRIENDS USED THEIR MATERIALS TO CREATE BEAUTIFUL POSTERS. THEIR PRESENTATION WAS A HUGE SUCCESS, EARNING THE HIGHEST GRADE FROM TEACHER MARY AND PROVING THAT LEARNING AND KNOWLEDGE CAN BE A WONDERFUL, POWERFUL ADVENTURE.

Biography:

We are the 7th Grade Olympic Two, a group of dedicated students who love learning, solving challenges, and discovering new things. We believe that knowledge, teamwork, and hard work are the keys to success. Every challenge is a chance to learn, grow, and do our best. Together, we celebrate our achievements and support each other on this journey. We are proud to be part of this team and excited for all the victories and experiences ahead.
